Emergency Pet Evacuation / Bug-Out Bag Checklist

Gather the following items/information and place in an easily portable bag next to your pet carrier. Keep these in an easily accessible spot in the event of an emergency, so that you are able to grab them and go!

Pet's name and microchip information	
Vet's name and contact information	
Medication information, dosage and pharmacy contact information	

- ☐ A pet first-aid kit
- ☐ Extra collar with full tags, plus a leash or harness
- ☐ A muzzle (for those with animals that may bite during times of stress)
- ☐ A week's worth of medication in an airtight container (if applicable)
- ☐ A week's worth of pet food
- ☐ Bag of favorite treats
- ☐ A few bottles of water
- ☐ Portable/collapsible food and water dishes
- ☐ Poop bags or small litter box, bag of scooping litter and scoop
- ☐ Unscented baby wipes
- ☐ Disinfectant spray and paper towels
- ☐ One or two large bath towels

Other items to consider, if space allows

- ☐ Toys
- ☐ Blanket and/or pillow
- ☐ Old clothing that smells of you
