

Licensed Veterinary Technician (LVT/RVT)

Job Type: Full-Time

Salary: \$38,400.00 to \$45,700.00 /year

Are you passionate about your profession? Are you interested in finding a team of professionals that share your drive, compassion, and work ethic when it comes to providing top-quality veterinary care? Are you looking for a supportive work environment that cares as much about you and your career as you care about the animals you serve?

Have we got a position for you!

Total Veterinary Care® has an opening for an experienced, licensed/registered veterinary technician for our clinic in Kennesaw, GA.

We are looking for someone who is:

- Registered/Licensed in the state of Georgia (Proof of RVT/LVT will be required. Candidates who are eligible to take the exam within 6 months of hire will also be considered.)
- Highly skilled at tasks such as drawing blood, placing IV catheters, assisting with anesthesia and surgeries, microchipping, dental work, radiology, lab work, nail trims, maintaining medical records, etc.
- Willing and able to keep up with the best practices and newest technologies
- An effective and respectful leader, mentor and team member
- Skilled at preparing medications and explaining their use to clients

In return, we provide:

- Excellent benefits and competitive compensation
- A happy and safe work environment
- Professional support and training
- Integrity and transparent communication between all team members

If you have proven technician skills, a desire to enjoy your workdays, and the ability to embrace positive change, we look forward to learning more about you!

How to apply:

Interested candidates should submit a resume and a cover letter, outlining your interest and qualifications for this position, to careers@totalveterinarycare.com.
